Notes

(a) Provisional

(b) VAT was introduced with effect from 01 August 2002 and is in operation since then. It replaced the that, the data represents the revenue from central government Business Turnover Tax (BTT).

(c) NSL was abolished since April 2002 with the introduction of VAT.

(d) Under the revenue sharing mechanism introduced in 2011 with the Provincial Councils (PCs), 100 p

extended to buying and selling activities.

(e) Debits tax was abolished with effect from April 2011.

(f) Data from 2011 represents only two thirds of the total revenue from NBT as the balance one third i

(g) Data from 2011 represents the revenue from Telecommunications Levy, which was introduced as a Levy and the Mobile Subscribers' Levy on this sector in 2011.
